# Academic Assistance

## Office Hours

- ▷ Time to meet professors and TAs
- ▷ Discuss specific course material
- ▷ Get help on assignments and projects

## SI Sessions

- ▷ Supplemental Instruction
- ▷ Peer-led group study sessions for Purdue's most challenging courses
- ▷ Led by students who previously took and excelled in the course

## Help Rooms

- ▷ Biology, Chemistry, Math, CS (USB)
- ▷ Get help from TAs and peers
- ▷ Helpful for tough assignments and projects

## COSINE

- ▷ College of Science Instructional Nightly Enrichment
- ▷ Evening tutoring center
- ▷ Any 100 or 200-level College of Science course

# Campus Resources

## Student Organizations

- ▷ Get involved with a student organization or club!
- ▷ Go to Boilerlink to view all the student organizations
- ▷ Attend the Virtual B-Involved Fair
- ▷ Over 1,000 unique opportunities

# Campus Resources

## Disability Resource Center

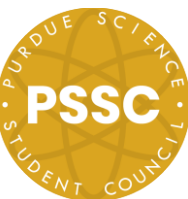

- ▷ Provides services, resources, and programs to facilitate equal access for disabled students
- ▷ Meet with an Access Consultant to discuss what accommodations work best for you
- ▷ Has passionate people who want to make sure all students get the equal access they deserve

# Campus Resources

## Mental Health

- ▷ Counseling and Psychological Services (CAPS)
- ▷ Recreation & Wellness programs at the CoRec
- ▷ Steps to Leaps program
- ▷ WellTrack app

# College of Science

Many Majors, One College

- ▷ College of Science is unique (many different majors)
- ▷ College is different from high school: **unity > competition**
- ▷ Beyond just your major, you're also a College of Science student...

...but most importantly, **you're a Boilermaker.**

# Question & Answers

# Thank You!
